

Year 1 Family Homework

Family Homework invites the children, siblings and parents/carers to spend time together, collaborating and having fun when completing the tasks set. Families will have the opportunity to complete a series of tasks that are sent home at the beginning of each half term. The suggested activities list is not exhaustive; we ask the children to do as many of the suggested ideas as they wish. Families are able to choose when they do the homework and how this could look so there is flexibility built in for our differing families and all of their needs. This homework is **optional** but we will highly value all the family homework that is shared, families can do as much or as little as they choose.

Feedback will be given to pupils on their homework verbally by adults and peers.

Year 1 – Moon Zoom

Please complete as many tasks as you are able to from those provided or perhaps you could even think of some of your own! Where possible, use recyclable and reusable materials.

You have the rest of this half term to complete these tasks.

Please see the dates below for when the family homework is to be shared in class.

Key Dates

– Family homework due in school- Monday 10th February.

Useful books and Websites

[Best children's books - Space Topic \(KS1\)](#)

[Teaching resources: Apollo 11 Moon Landing - BBC Teach](#)
