

Year 3 Family Homework

Family Homework invites the children, siblings and parents/carers to spend time together, collaborating and having fun when completing the tasks set. Families will have the opportunity to complete a series of tasks that are sent home at the beginning of each half term. The suggested activities list is not exhaustive; we ask the children to do as many of the suggested ideas as they wish. Families are able to choose when they do the homework and how this could look so there is flexibility built in for our differing families and all of their needs. This homework is **optional** but we will highly value all the family homework that is shared, families can do as much or as little as they choose.

Feedback will be given to pupils on their homework verbally by adults and peers.

Year 3 – Scrumdiddliumptions

This is a geography unit, which covers comparing England with Brazil and trade including Fairtrade.

Please complete as many tasks as you are able to from those provided or perhaps you could even think of some of your own! Where possible, use recyclable and reusable materials.

You have the rest of Spring 1 to complete these tasks.

Please see the due dates for projects below.

Key Dates

- Family homework due in school: Friday 7th February
- Family homework presentation in class: Thursday 13th February

Family Homework

Did You Know? Create your own amazing fact book about England, Brazil, where things we buy come from or Fairtrade. Share your newfound knowledge with your family and friends.

Poetry Create a piece of poetry based on a place or the idea of trading. The choice of poem is entirely up to you! It could be a calligram, acrostic, haiku or a free verse poem.

Story Writing Create an adventure narrative that is set in a different country. Try to incorporate the five senses as part of your setting description. Who will your protagonist be? What events will unfold?

Art Create your own art work, perhaps inspired by FairTrade, using materials of your choice (collage, paint, pencil, watercolour, chalks, colouring pencils).

Music Create a soundscape to represent the ambience of a place in either England or Brazil. What instruments will you use?

Your Own Ideas! We are sure that you have some brilliant ideas of your own that you want to do to show your learning. You can produce anything you like about our topic!

Discovery In Science we are learning about plants. What can you investigate and discover?

Models – Make a 3D representation of a famous English or Brazilian landmark. What recycled materials could you use?
