

Core homework

For English please practice these spellings on a weekly basis. As a minimum pupils should learn these spellings for the given week. The children will consolidate this work in class through their written work – this may include a short test, a dictation or spelling activity.

We would also like you to read every night for 15 minutes, this could be with an adult or independently.

Maths – Year 5 have learnt all the times tables from 2 to 12. It is imperative that their knowledge and use of these multiplication and division facts are consolidated. Please ensure that children are logging onto TT Rockstars to do so.

Year 5 would also benefit from recapping telling the time on an analogue clock, area and missing angles. Use the following websites:

[What is an angle? - KS2 Maths - Year 5 - BBC Bitesize](#)

Children learn spellings in different ways – here are some ideas that you could use to support your child when learning spellings.

Use Magnetic Letters, Alphabet Blocks, Scrabble pieces or even make letter cards out of paper to spell your words.

Make a Spelling Word Origami Fortune Teller

Trace the Words in Rainbow Colours

Spelling Scribble – Draw a scribble and fill each part with as many of one of your spellings as you can.

Let Your Child Text the Words to You on a tablet or phone. Then you can receive the text, correct the spelling if necessary, and send back an emoji.

Look, Cover, Say, Write, Check.

Make a word search either online or on paper.

Play Hangman
