

Y5 - THE WILD WEST - KNOWLEDGE ORGANISER

CAPITAL CITIES OF THE UK AND SEAS

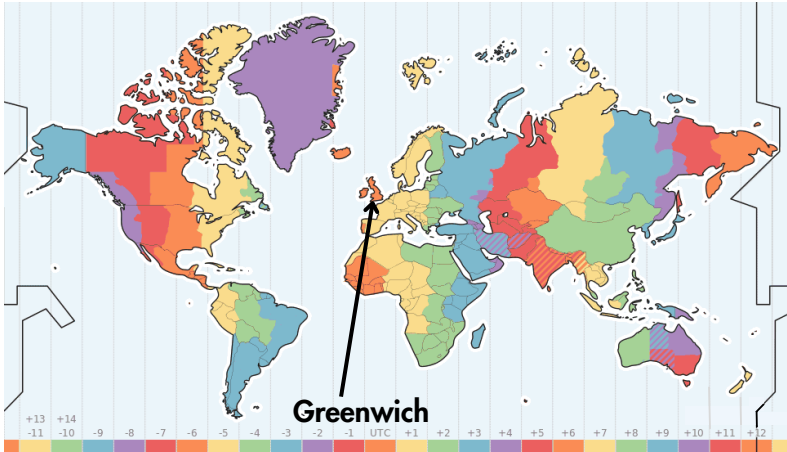

MOST POPULATED CITIES IN EACH CONTINENT

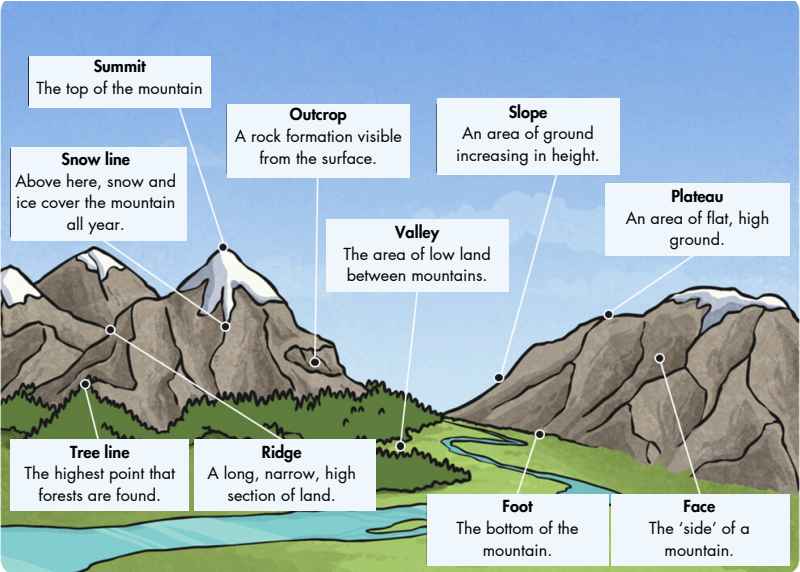

Mexico City 9.2 million people	Cairo 22.6 million people	Tokyo 37.1 million people
Buenos Aires 15.6 million people	Moscow 12.7 million people	Melbourne 5.3 million people

The world is split up into time zones. The Prime Meridian (the central reference point for every time zone across the world) is located in Greenwich, London. Each time zone moving away from Greenwich adds at least an hour to the international standard time.

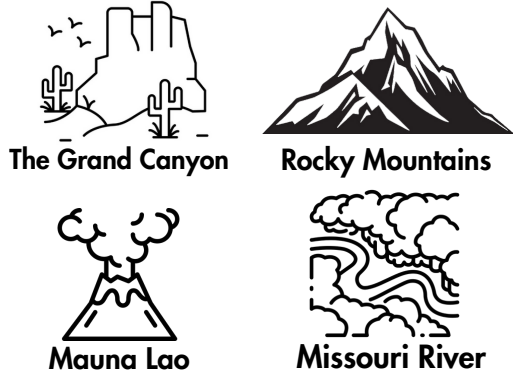

FEATURES OF A MOUNTAIN

TOP 5 MOST POPULATED EUROPEAN COUNTRIES

1. Germany 83,294,633	
2. France 64,756,584	
3. Italy 58,870,762	
4. Spain 47,519,628	
5. Poland 41,026,067
